**Registration will open January 16, 2017.** You will receive additional email notification as registration time draws closer.

Tournament Entry is subject to an eligibility review and acceptance by the Champions Cup Competition Committee. Last year's field consisted of USA teams from 19 states and one International team from Japan. The average handicap of the 112 competitors was +2.0. We expect the 2017 to be equally as strong, if not stronger.

As in the past, we expect to have a full field, so we will use a priority acceptance process. Exemptions will be honored for past Cup Champions and Top 10 finishers from last year's event. After that, prior participants and teams with strong competitive resumes will be evaluated and accepted in order of standing until we reach our field capacity. If a Wait List is required, Entering Teams will be advised of their status.

Should you have any questions or need additional information, please feel free to inquire by return email ([championscupgolf@rocketmail.com](mailto:championscupgolf@rocketmail.com)) or by contacting the Champions Golf Club Office at 281-444-6262.

We wish you a very successful 2016 golfing season, and look forward to seeing you at Champions for the 50<sup>th</sup> Champions Cup Invitations in April 2017!
