***March 13<sup>th</sup>, 2020***

#### **Champions Golf Club Update – 53<sup>rd</sup> Champions Cup Invitational in Cancelled**

The 53<sup>rd</sup> Champions Cup Invitational Tournament is being cancelled. Unfortunately, the ever-increasing risks associated with the widespread Coronavirus COVID-19 has led us to this decision. This is undoubtedly disappointing, although we are confident this is appropriate under these unique circumstances.

Ultimately, the health and well-being of everyone associated with this event led us to this decision. Champions Golf Club is very mindful of concerns regarding the Novel Coronavirus COVID-19. Our number one priority is the health and safety of our tournament players, volunteers, sponsors, club staff and anyone associated with the event.

We recognize this decision will affect many people. Your patience as we make every effort to communicate effectively and efficiently is appreciated. We will share additional information on entry fee refunds early next week. Updates also will be posted to our website.

Champions Golf Club's position is consistent with the PGA Tour's decision to cancel the Players, WGC-Dell Technologies Match Play in Austin, the Valero Texas Open in San Antonio and the postponement of the Masters. Additionally, we are seeing cancellations ripple through the NCAA and all professional sports.

If you have any further concerns, by return email or call Kathy Carrabine at 281-444-6262.

We will provide further updates as new information becomes available.

George Adams – Chairman  
Don Champion – Co-Chairman  
53<sup>rd</sup> Champions Cup Invitational
